

Hi Dan,

I just wanted to let you know that we are featuring Troubador in our Monthly newsletter. EquestrianSingles.com is sponsoring the Mustang Heritage Foundation and EMM, and will promote their adoptions and events in our monthly newsletters. I hid your email address and listed your website as it appears below. I will cc you on the newsletter. I just wanted to give you a heads up in case you get a lot of response. From the looks of this photo, I'd like to adopt him myself! If you are not familiar with our websites please go to our corporate website <http://www.Equestrian-Network.com>

Look forward to meeting you!
All the best,
Marcia
